Obligation Under Bond Reduced

BLM Held Certificate of Deposit Released and Returned

Effective August 5, 2004, this office accepted a personal bond from Rocanville Corporation for coverage of operations conducted by the principal on 3809 plan UTU-79872-01. The bond was secured by certificate of deposit in the amount of \$9,000 with Wells Fargo Bank, N.A. On June 23, 2009, we received a rider which extends bond coverage to cover all liability under plan operations and coverage of operations conducted by Allroc Fine Aggregates and adds the State of Utah, Division of Oil, Gas and Mining to the bond.

On October 6, 2010, a cash bond of \$17,200 was accepted by the Utah Division of Oil, Gas and Mining (UDOGM). The total amount of the bonds is \$26,200 for plan UTU-79872-01.

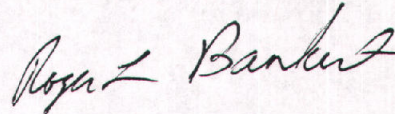

On September 16, 2013, the Fillmore Field Office approved the partial release of \$15,720 of the \$26,200. The remainder of \$10,480 will be retained for re-vegetation on plan UTU-79872-01. By letter dated September 26, 2013, the State of Utah Division of Oil, Gas, and Mining approved the partial release.

Therefore, this decision reduces the amount required for plan UTU-79872-01 to \$10,480.

The certificate of deposit bond held by the Bureau of Land Management (BLM) is hereby released and the UDOGM will retain the required \$10,480.

The certificate of deposit under account number 1851324432 is returned to Wells Fargo Bank, N.A. by Federal Express Mail. This Decision constitutes the bank's authority to release the certificate of deposit effective September 26, 2013.

If you have any questions regarding this bond, please contact Rita Stelmach of this office at (801) 539-4121.
